Subject: Official Invitation to Attend the African - Inclusive Digital Industries (A-IDI 2026) Program, Kigali, Rwanda

To whom it may concern,

On behalf of Carnegie Mellon University Africa (CMU Africa) and the Afretec Network, it is my distinct pleasure to formally invite ***Nathaniel Adika Adika*** from **University of Ghana** to participate in the **African - Inclusive Digital Industries (A-IDI 2025) program** taking place in Kigali, Rwanda, from **10th to 16th September 2026**.

A-IDI 2026 is a flagship experiential learning initiative designed to expose top-performing African students to cutting-edge digital industry skills, entrepreneurship, leadership development, and applied research. The program brings together outstanding learners from across the Afretec Network to collaborate, innovate, and expand their understanding of Africa's rapidly growing digital economy.

We are pleased to confirm that all costs associated with participation will be fully covered, including:

1. Round-trip Flights,
2. Hotel accommodation, (including breakfast and dinner),
3. Lunch, provided as part of the program package, and
4. Airport transfers and all local transportation, coordinated by the CMU Africa transport team.

We look forward to hosting the attendees in Kigali and supporting their growth as emerging leaders in Africa's Materials and Digital Manufacturing Transformation.

Please feel free to contact me should you require any additional information.

Thank you.

William Mutero
